

## Reduce Your Risk with StoveTop FireStop®

Many insurance providers now offer discounts or other incentive programs to customers who install our automatic fire suppressors in their residences.

*"One of my accounts in Tidewater, Virginia, has 15 apartment sites, and when they had a stove fire it was costing an average of \$11,000 in damages. Once they put in StoveTop FireStop, the damage dropped to an average of \$1,000 (thus saving them \$9,000 on their \$10,000 policy deductible). They are believers."*
